

17 March 2020

# **BIPES Represents' the Gurukul award**

## **Kalpana Chawla Life Time Achievement International Award**

**Kalpana Chawla**

Birth Date : March 17, 1962

Kalpana Chawla the very first Indian women astronaut who stepped into space is really an inspiring personality. She was a great person with full of positivity and spirit, but unfortunately, we lost her in Space Shuttle Columbia disaster on February 1, 2003.

### **An inspiring quote by Kalpana Chawla**

“I stopped thinking about it after trying to figure out what are the lessons learned, and there are so many. After I had basically sorted that out, I figured it’s time to really look at the future and not at the past. “
